

### **Safety Consent Form**

The safety of your child is very important to us. By providing you (parents/guardians) with the safety information below, our hope is that you will feel confident in knowing that your child will be well taken care of.

#### **Safety Procedures:**

- On Bible2School day children will line up on the playground where they will meet 2-3 B2S volunteers (wearing a B2S shirt) holding a B2S sign. After each child in line is marked present or absent on an attendance roster, students will be walked, single file, down the sidewalk with a volunteer leading and ending the line. The same procedure will be followed when taking the children back to the school. Children will be checked back in using the same attendance roster to ensure that all children make it back to school safely.
- After children arrive at the Tower Theater the doors to the building will remain locked to ensure that only authorized children/personnel are present. Doors will open from the inside in case of emergency.
- Parents will **NOT** be permitted to check children in/out of B2S. If a child has an appointment that requires them to arrive late or leave early, they will need to stay at school that day and be checked in/out of the school office.
- Children will **NOT** be permitted to arrive late or catch up to the group. If a child isn't in the attendance line at the time the roster is recorded, they will miss B2S that day.
- All volunteers will be background checked before they are permitted to help.
- B2S leadership and volunteers will be trained in emergency procedures and safety protocols by local Sheriff's office.
- Parents that want to observe are encouraged to do so but must be listed at the bottom of this form for security reasons. **ONLY** parents listed on this form will be allowed in the building. ID's will be checked upon entrance. Parents will sit in the theater seats along the wall to observe.
